Space Invaders Clone with some Upgrades  
This would be a fun waste of a few hours but....

LAAAAAAAAAGGGGGGGGGGGG  
Gross.

<https://youtu.be/V10lUmjxznU>. 10 spaceships / 10. its hard if you like a challenge len get this!  
. I bought this game. On sale so that was pretty sweet. The guns are a little slow but other than that it's a pretty good game..reminds me of space invaders. The bosses are a bytch though. You have to purchase the upgrades damn near everytime you go into a level. My upgrades tend to run out when i get to the boss though which bites. Anyways I give it an 8/10.. pretty good game. Have just a few levels done but it is fun and hard to win sometimes... it is a real be liked game!. Is a okay game and for the price isn't bad. However, I can't handle that it doesn't have a "repeat" button and going back to the main menu is just annoying for me.. \u597d\u7684\u6e38\u620f. \ud83d\udc4c
